WINTER 2013 RRP/SDP submission instructions from eHealth QUERI:

The RFAs for winter 2013 submissions are posted at <http://vaww.research.va.gov/funding/rfa.cfm#.UHwCUa6QmB8>
The instructions for submission of Service Directed Project (SDP) Concept Papers are posted at:
<http://www.queri.research.va.gov/SDP-submissions.pdf>

- If the project is related to My Health^eVet and if the eHealth QUERI decides to support the proposal, the Administrative Coordinator will notify My Health^eVet and will send you instructions and forms to request a separate letter of support from the My Health^eVet Program Office. You must submit these along with a draft letter of support to Fran Weaver, Chair, MHV Research Infrastructure Committee at: frances.weaver@va.gov. If the My Health^eVet Program Office program chooses to provide a letter of support for your proposal, they will send it directly to you.
- Remember that you are limited to no more than 81 characters (which includes spaces) for your title.

Deadlines for Winter 2013 cycle:

November 13, 2012 - Send a Letter of Intent (LOI) to the eHealth QUERI. Guidelines for submitting a Letter of Intent and obtaining a Letter of Support from the eHealth QUERI are here: <http://www.queri.research.va.gov/ehealth/eHealth-QUERI-RRP.pdf>. The eHealth QUERI will reply to your LOI as soon as possible (within 10 days of receipt) to let you know whether the QUERI will be able to provide a letter of support or not, and whether the letter of support is contingent on any changes or clarifications being made to the proposal.

December 3, 2012 – Intent to Submit (email) deadline to for the eHealth QUERI to notify the QUERI office to expect your proposal. (This will be done by QUERI Centers for proposals they agree to support.) You will be contacted by the eHealth QUERI requesting additional information for the ITS.

December 11, 2012 – Send a near-final draft of the proposal with budget to the eHealth QUERI. We may want to have a meeting with you to discuss our feedback, so the sooner you get it to us, the more time you will have to incorporate our comments into your final proposal.

December 17, 2012 – Waiver for Exceeding Budget Cap

December 17, 2012 – First day you can submit in grants.gov

January 8, 2013 – Down to the Wire Submission deadline in grants.gov – allows you to correct errors identified by grants.gov/NIH eRA Commons

January 10, 2013 – Last Possible Submission date to Grants.gov (by 6pm local time)
