Sunday, December 11

8:00am–4:30pm  Room 201
Dissemination & Implementation Research Methods and Embedded Pragmatic Trials: Strategies for Designing Studies that Inform Care for Diverse Populations
*Workshop Speaker:* Hayden Bosworth, PhD
Center of Innovation to Accelerate Discovery and Practice Transformation

1:00pm–4:30pm  Room 207B
Selecting and Designing Effectiveness-Implementation Hybrid Studies
*Workshop Speaker/Facilitator:* Hildi Hagedorn, PhD
Center for Care Delivery and Outcomes Research

Monday, December 12

11:45am–1:00pm
*West Salon 1*
Innovative Collaborative Approaches to Select and Tailor Implementation Strategies
*Presenter:* Roman Ayele, PhD, MPH
Denver/Seattle Center of Innovation
Identifying barriers to implementing a care coordination intervention in the Veterans Health Administration: The brain-writing pre-mortem focus group approach.
*Presenter:* Erin Finley, PhD, MPH
Center for the Study of Healthcare Innovation, Implementation and Policy
The rapid implementation feedback report: Real-time synthesis of qualitative data for proactive implementation planning and rollout

3:00pm–4:15pm  Room 202 B
Innovations in Dissemination and Implementation Research from the Veterans Health Administration
*Presenter:* Heather Gilmartin, PhD, NP
Denver/Seattle Center of Innovation
Creating a relational playbook for cardiology teams to enhance employee wellbeing and Veteran care.

*East Salon*
Building Capacity for Designing for Dissemination and Sustainability
*Presenter:* Heather Gilmartin, PhD, NP
Denver/Seattle Center of Innovation
Building dissemination capacity through the Colorado Clinical and Translational Sciences Institute dissemination consultation service.

8:00am–4:30pm  Room 201
Dissemination & Implementation Research Methods and Embedded Pragmatic Trials: Strategies for Designing Studies that Inform Care for Diverse Populations
*Workshop Speaker:* Hayden Bosworth, PhD
Center of Innovation to Accelerate Discovery and Practice Transformation

1:00pm–4:30pm  Room 207B
Selecting and Designing Effectiveness-Implementation Hybrid Studies
*Workshop Speaker/Facilitator:* Hildi Hagedorn, PhD
Center for Care Delivery and Outcomes Research

### Tuesday, December 13

**11:15am-12:30pm**

**Room 202B**

**Social Determinants of Health**  
**Presenter:** Christopher Miller, PhD  
**Center for Healthcare Organization and Implementation Research**

Implementing intimate partner violence screening programs in VHA primary care clinics: Implementation and effectiveness outcomes from a hybrid II trial.

**East Salon ABC**

**The Price of Practice Change: What Does It Cost to Implement an Evidence-based Program?**  
**Discussant:** Todd Wagner, PhD, Director  
**Health Economics Resource Center**

**1:00pm–2:15pm**

**Room 207 B**

**Rapid Qualitative Methods in Implementation Science Workshop: Techniques and Considerations**

**Presenters:**
- Erin Finley, PhD, MPH and Alison Hamilton, PhD, MPH  
  **Center for the Study of Healthcare Innovation, Implementation and Policy**
- Christine Kowalski, MPH and Andrea Nevedal, PhD  
  **Center for Clinical Management Research**
- Amanda Midboe, PhD  
  **Center for Innovation to Implementation**
- Jessica Young, MPH, MSW  
  **Denver/Seattle Center of Innovation**

**West Salon I**

**AHRQ Evidence-based Practice Center Program: Enabling the Dissemination and Implementation of Evidence through 25 Years of Methods Innovations**  
**Discussant:** Mark Helfand, MD, MPH, Director  
**Evidence Synthesis Program**

**2:30pm-3:45pm**

**Room 202A**

**Implementation of Innovative Behavioral Health Programs to Improve Care for Special Populations**  
**Presenter:** Marianne Goodman, MD  
**New York/New Jersey Mental Illness Research, Education and Clinical Centers**

Qualitative Study of Telehealth Delivery of Suicide-Specific Group Treatment **Project Live Force**

**Room 207 A**

**Methods to Optimally Address Complex D&I Challenges**  
**Chair:** Bo Kim, PhD  
**Center for Healthcare Organization and Implementation Research**

**Room 206**

**Cancer Screening, Control, and Treatment**  
**Presenter:** Maren Scheuner, MD, MPH  
**San Francisco VA Medical Center**

New delivery models improve access to precision oncology for patients with advanced prostate cancer.

**6:00pm-7:30pm**

**Room 208 AB**

**QUERI Meeting**

Please join us for this great opportunity for networking and discussion among HSR&D/QUERI investigators and staff!
Wednesday, December 14

8:30am-9:45am

Room 201

Implementation Support Approaches for Diverse Settings and Populations

Presenter: Sonya Gabrielian, MD, MPH
Center for the Study of Healthcare Innovation, Implementation and Policy
Engaging stakeholders to inform national implementation of critical time intervention in a program serving homeless-experienced Veterans.

East Salon ABC

Implementation Science Transfer to Support (re)Building Better Healthcare Systems

Chair: JoAnn Kirchner, MD
Behavioral Health QUERI

10:15am-11:30am

West Salon I

Advancing Scalability, Sustainability, and De-Implementation of Public Health Programs

Presenter: Matthew Chinman, PhD
Center for Health Equity Research & Promotion
Scaling up implementation support for violence prevention and resilience promotion in the Air Force.

Room 207 A

Methods for Documenting and Tracking Implementation Strategies in Research Consortia

Presenter: A. Rani Elwy, PhD
Center for Healthcare Organization and Implementation Research
A centralized implementation core for tracking implementation strategies across a VA-wide QUERI program.

Room 201

Social Needs, Social Determinants of Health, and Vulnerable Populations

Presenter: Amanda Midboe, PhD
Center for Innovation to Implementation
Evaluating a hybrid type III implementation trial of an integrated multi-disciplinary clinic to address unsafe use of opioids among Veterans living with chronic pain.

1:30pm-5:45pm

Room 207 B

Technical Assistance Workshop

Led by: Nick Bowersox, PhD, ABPP
(Organized by QUERI's Center for Evaluation and Implementation Resources)

This workshop will include multiple panel discussions focusing on topics related to current funding opportunities from the multiple sponsors of the conference (e.g., NIH, AHRQ, PCORI, VA, RWJF, etc.), current trends in implementation research, and practical advice on early career strategic decision-making from established implementation researchers.
